**Welcome to the Flyaway Winter 2017/18 Brochure**  
(November 2017 - March 2018)

In keeping up with the ever changing travel industry, we decided to update the way we present our brochure. Our new design categorises our packages into three segments – Explore, Dream & Discover.

The **Explore** section is aimed at anyone who counts their wealth, not by how much money they have in their bank accounts, but by the experiences and memories they encounter. We understand that today's travellers don't just want to travel for the sake of travelling, but to truly immerse themselves in different cultures. If this describes you, these are the pages to look at.

If you are 18-35 years old, and are suffering from serious Wanderlust, have a look at the first couple of pages of the Explore section, aimed specifically at your age group!

The **Dream** segment will make your travel dreams come true. Whether you are dreaming about your ultimate honeymoon, ringing in the New Year in Venice, or maybe supporting your favourite football team, then this is the section for you.

The **Discover** segment covers everything else, from renowned European Capitals such as London, Brussels and Rome, to cultural cities such as Vienna and Paris. With so much to see and do during the day and night, our experienced staff will help you make the most of your time during your chosen city break.

Flyaway makes discovering new cities and destinations so simple. By choosing the best accessible cities and top attractions we've done all the hard work for you. All that's left for you to do is explore, dream and discover.

**6 Days - 5 Nights**

**Day 1: From Rome transfer to Sulmona**

Pick up at the Rome airport and private transfer to Sulmona (1 hour and half drive). The rest of the day will be at leisure.

**Day 2: Discover Sulmona**

A full day tour to discover the beautiful city of Sulmona with a local guide and a welcome drink. Lunch and dinner not included.

**Day 3: Wine Day Tour**

After checking out you will be picked up at the hotel and start your wine day tour through the Abruzzo Regions.

Winemaking traditions in Abruzzo date back to the sixth century B.C. thanks to the Etruscans, who played a major role in introducing viticulture to the area. At that time Abruzzo's vineyards were generally focused around the Peligna valley in the province of L'Aquila. However, there is evidence that vine growing goes back as far as the fourth century B.C., when a sweet, Moscato-style grape called Apianae was grown.

The region is well known for boutique wineries. You will visit two wineries, followed by a typical Abruzzese lunch and move towards north, reaching the city of Ascoli Piceno, in Le Marche Region. Once you arrive here, you check in and have a welcome drink at the hotel Meletti. Evening at leisure. Overnight.

**Day 4: City tour and Cooking Class**

The charming town of Ascoli Piceno, in the central Italian region of Le Marche, was founded by an Italic population known as the Piceni. It later became part of the Roman Empire, acquiring great importance because of its strategic position on the Via Salaria, which connected the salt production areas at the mouth of the Tiber river with those on the Adriatic Coast.

Ascoli Piceno lies in an ideal position, near the Adriatic coast, surrounded by mountains, with two national parks, Parco Nazionale dei Monti Sibillini and Parco Nazionale dei Monti della Laga, bordering town.

After a guided tour of the town and a lunch at a local typical osteria you will have the opportunity to enjoy a cooking class. Evening at leisure. Overnight.

**Day 5: Marche Wine Day Tour**

Today's tour will take you to the Le Marche Region. Marche's winemaking heritage spans thousands of years and has been influenced, among others, by the Etruscans, Romans and Lombards. The presence of these various cultures goes a long way to explaining the breadth of viticultural tradition and wine styles in the region. Marche has a number of terroirs that are extremely well suited to the cultivation of vines, particularly among the rolling coastal hills such as those around Ancona. Due to the influences of the Apennines, the Adriatic and the region's rivers (the Metauro, Potenza, Tronto and Nera), there are various climates at work in Marche, giving wine producers both warm and cool viticultural zones to utilise. Calcareous, clay and limestone-rich soils contribute to the distinctive terroir, and vary according to the region's distinctive topography.

Today you will visit 2 wineries, an ancient and stunning city, you'll have a great lunch and then back to the hotel for a relaxing farewell dinner.

Sveta Troitsa Church

## Sveta Troitsa Church

Surrounded by 1m thick stone walls, this 19th-century church has the air of a fortress. By contrast, the interior is a multicolour marvel with flower-spangled ceilings and columns painted rich shades of green and crimson. In the churchyard, the 30m-high clock tower is one of Bansko's most recognisable landmarks.

**General Conditions**

**1. Air Travel**

Holidays in this brochure are available on Air Malta scheduled flights and/or other airlines as specified on respective pages combined with other carriers where necessary and/or stated. Extra nights can also be supplied separately.

**2. Availability**

The prices featured in this brochure are valid from 01st November 2017 to 31st March 2018, subject to paragraph 18.

**3. Additional Services**

Flyaway are not responsible for any additional services and/or tours booked while the client is overseas. Such bookings shall not form part of Flyaway, nor be regarded as a separate contract.

**4. Cancellation by Airline**

Holidays will be cancelled for reasons amounting to 'force majeure' such as hostilities or political unrest, and/or failure of other parties to honour their obligation to us, or for matters beyond our control. In the event of any cancellation or alteration, at least 3 weeks prior departure, we will offer the closest comparable alternative holiday or a full refund. Such an offer will be made in writing. In the event that the alternative offered is not accepted in writing within two weeks from date of issue, then it will be deemed to have been refused, in which case Flyaway will refund the equivalent of the amount paid. If alternative offered is of lower standard than that requested, Flyaway will refund the difference to the party concerned. Where a minimum number of passengers is required for a tour to take place, and this number is not reached, we reserve the right to cancel the said tour. Should any unusual and/or unforeseeable circumstances beyond our control arise and prevent the operation of a tour, Flyaway also reserves the right to cancel that particular facility.

**5. Cancellation by Passenger**

If land arrangements are cancelled prior to date of commencement of stay, the following charges will apply unless otherwise stated or advised: 2-5 days prior to departure – cost of 3 nights' accommodation; 1 day prior to departure or no show – cost of whole stay. Clients staying less than 3 nights will be charged the full cost of stay. Airline tickets are strictly non-refundable.

**6. Cancellation of Flights**

In the unlikely event that the airlines concerned should withdraw any of their flights, we will arrange the most suitable alternative reservation, and advise you the soonest possible. If this new arrangement is not acceptable to you, you may withdraw your booking and receive a full refund of all monies paid, provided we are notified within 7 days. This offer does not apply to simple changes in the schedule, nor amendments to the schedule caused by civil strikes, wars, riots, weather or technical delays, closure of an airport, national disaster or emergency or for any reasons over which airlines have no control.

**7. Changes**

Changes may be made up to one week prior to date of commencement of holiday subject to the payment of applicable charges. Any changes requested thereafter, which result in cancellation of days during the confirmed period will be deemed a cancellation in which case provisions as per paragraph 5 will apply. It is important that names are given exactly as they appear on the passports as name changes (including minor corrections) are subject to significant fees.

**8. Liability**

a) Tickets are issued under the terms and conditions of carriage of the airline  
 b) Where the booked accommodation and/or transportation is not available on arrival, Flyaway will be responsible for arranging the alternative services which shall, when possible, be at least of a similar standard. If only lower standard is available, Flyaway will refund the difference in price. If it is impossible to make an alternative arrangement, or these are not accepted, on reasonable grounds by the client, Flyaway, where appropriate, will provide the client with transport back to the place of departure.  
 c) Flyaway will not be held responsible if any of the contracted services cannot be honoured in full due to any of the following:  
 i. When the passenger is responsible for any failure on his/her part  
 ii. When a particular service is improperly performed by a third party not directly related to our services  
 iii. In the event of unavoidable and/or unforeseeable circumstances Flyaway liability is limited to the respective international convention. Notwithstanding the above, assistance will be given to the affected passengers by Flyaway or its representative in the particular location.

**9. Refunds**

No refunds can be paid in the case of standard items and any meals in the packages not being utilised by the passengers. See paragraph 5 regarding flight tickets.

**10. Tickets & Travel Documents**

All passengers must hold valid and effective travel documents and visas & medical certificates where applicable. Tickets, vouchers and other travel documentation will be given to you after final payment has been received by us or the agent, and as far in advance of departure as is practical or necessary.

**11. Health & Passport Requirements**

Kindly refer to the notes on each page listing health & immigration guidelines for each featured destination. All information is correct at the time of going to print and is subject to change without notice. Passengers are advised to re-check this information for themselves prior to departure to avoid unnecessary inconvenience.

**12. Insurance**

Airline insurance cover applies ONLY while a passenger and baggage are aboard its flights, and this is only in accordance with its conditions of carriage printed on your flight ticket. You are therefore advised to take out adequate comprehensive cover for yourself and your baggage to be covered throughout your stay. Travel insurance is available and is strongly recommended.

**13. Holiday Duration**

The duration of packages is indicated on the relevant pages. People arriving at their hotel during the night or early morning are reminded that the night of arrival is considered the first night of their stay, to ensure that their room is immediately available. It might be necessary to book an extra night, if you wish to have accommodation until the end of your stay, depending on the timings of your flights. In line with international practice, check-in and check-out is usually around noon in both cases, but may vary according to the hotel.

**14. Days of Travel**

All days of travel indicated on packages are subject to change, as our packages are calculated ahead, on advance flight schedules, which are unconfirmed at time of print.

 b) Triple rooms usually consist of a twin room + an extra folding bed

**18. Package Prices**

Our prices are based on hotel rates, aviation and transportation costings etc., as known at the time of going to print. While every effort will be made to maintain stated prices, we reserve the right to add a surcharge to your account in the event of substantial increases in costs, or an adverse variation in exchange rates, occurring after publication of this brochure. The actual relevant increases will be reflected in the new prices. Taxes are not included.

**19. Tailor-Made Packages**

In the case of tailor-made packages, requests have to be forwarded in writing, clearly listing all the requirements. Bookings of this type are also subject to all conditions listed here.

**20. Other Costs and Taxes**

Published prices do not include any airport taxes, port taxes, VAT, visas, landing fees, handling fees, city taxes or any similar charges.

**21. Deposits**

A deposit equivalent to 40% of the total package cost must be paid within 5 days of confirmation. Failure to pay the deposit will result in auto-cancellation of the booking without further notice.

**22. Difficulties & Complaints**

It is imperative that all complaints while on holiday are directed to our handling agents overseas, whose telephone number is found on your voucher. Complaints upon return will not be valid unless they had been previously reported to our handling agent. Failure to do so may invalidate your claim as this will have denied us the possibility to rectify the problem on the spot. In any case, complaints together with supporting evidence must be strictly made within 30 days from date of return.

**23. Other Information**

a) The word 'tour' or 'holiday' in this brochure is taken to mean one full programme, i.e. air travel and land arrangements only, unless otherwise stated. As a rule, transfers are never included, unless otherwise stated.  
 b) Our selection of tourist class hotels have been chosen for their good value, location & basic accommodation. Please keep in mind that in other countries hotel standards differ, and may not necessarily provide the same level of service as would be expected locally in the same category. Flyaway will not be responsible for any shortcomings on any alternative Hotels offered.  
 c) When a hotel facility is listed in a hotel's description, this should not be taken as included in the package, but that use of facility is, more often than not, at an extra cost. Some hotels may charge extra for use of air-conditioning.  
 d) Any particular physical or health conditions should be made clear when booking to ensure that we can meet your needs.  
 e) Budget accommodation denotes simple and basic standards, generally better described as guest houses. Please ensure that clients are aware of this prior to proceeding with a booking. Air transportation falls under general conditions of carriage as outlined on your flight ticket.  
 f) Packages throughout the brochure cannot be decreased unless authorised by Flyaway personnel.  
 g) All hotel/resort rooms are inland views unless otherwise stated.

**24. Transfer of Bookings**

In the event of a client whose booking is confirmed with a deposit, Flyaway can accept transfer of booking to other passengers, subject to:  
 a) The relevant documentation not having yet been issued  
 b) Acceptance of change by service providers  
 c) Charges will apply  
 d) An obligation of full payment prior to issue of documentation is to be undertaken jointly and/or individually by the parties involved. However, ultimate responsibility for full payment remains with the person actually utilising the booking.

**25. Your Travel Agent's Role & Responsibility**

It is the client's responsibility to check carefully the booking details and all documentation related to the package booked. In case that any inaccuracies are found, you are to contact your travel agent. Please note that Flyaway is not responsible for any advice given to you by your travel agent unless that advice is first given by Flyaway to your travel agent. It is the travel agent's responsibility to convey all information carried in these general conditions to the passenger. In the event that a travel agent fails to do so, the agent in question is to assume responsibility for any direct or consequential damage. Reference is made to the Booking Form and our Special Service Voucher, wherein you are required to endorse same, signifying your acceptance of these conditions.
